

# STAINLESS STEEL JUICER

*Easy, delicious, healthy*

## ROMMELSBACHER

Fresh vitamins taste best. This juicer is perfect for preparing tasty and vitamin-packed juices. The powerful motor features a soft start function and starts gently and with low vibration to the set speed. It is not necessary to chop the fruits due to the practical, large filling hole. The stainless steel grater with the micro-mesh filter ensures a high juice output. Fruity, vitamin-packed juices are made in no time. The burst of freshness to start the day healthily. Two stable locking clamps allow for a safe operation and easy handling and the four rubber suction feet for a safe stand. All removable parts are of course dishwasher-proof.

### Technical data:
