Pasta machines electric

Rommelsbacher PM 220 Pastarella

Dr. Martin Mertens
Head Of Jury

Integrated Scales and Different Pasta Types

The PM 220 Pastarella from Rommelsbacher is given the WORLD KITCHEN AWARD in the „Pasta machines electric“ category.

The WORLD KITCHEN AWARD is presented to the PM 220 Pastarella because it particularly impressed the jury with its integrated scales, six programs, and seven interchangeable pasta inserts.

The WORLD KITCHEN AWARDS are bestowed upon the best kitchen products by a distinguished jury of experts. They serve as an essential guide for purchasing, procurement, and product range management for consumers, installers, and the trade.
