

TABLE BLENDER

Powerful and extra safe!

For mixing, shaking, pureeing, crushing & more

ROMMELSBACHER

The MX 1260 table blender by ROMMELSBACHER with its powerful 1200 W and 22,000 rpm offers perfect results in seconds. Whether creamy smoothies, refreshing cocktails or crushed ice – the 8-step speed control and practical pulse function ensure optimum results every time. Two automatic programmes (“Smoothie” and “Ice Crush”) allow an uncomplicated, quick and reliable preparation at the touch of a button. The robust stainless steel blade chops even hard ingredients effortlessly and is also easy to clean. The solid glass jug with scale, spout and convenient refill opening guarantees easy handling. The included pusher ensures that ingredients are optimally processed. The comprehensive safety features with GS-tested safety, overheating protection, non-slip feet and automatic switch-off if the glass is not seated correctly ensure maximum operation safety. The MX 1260 can be completely disassembled and is easy to clean, making it an indispensable, powerful and safe kitchen helper for every day.

Rated 'very good' in German consumer test
