

DESIGN TABLE TOP GRILL

Gourmet Deluxe

Quality made in Germany - noble and unique

ROMMELSBACHER

Extraordinary design, superior workmanship and sophisticated ease of use: a design table top grill made in Germany leaving nothing to be desired. Selected materials and high-end technology arrange for comfortable handling and best grilling results. Whether indoors or outdoors – this grill convinces by the two individually controllable grilling areas. On the one side you can e. g. grill with large heat and simultaneously you can cook at low heat or keep warm on the other side. On the ribbed side, food gets the typical grill marks and the flat Teppanyaki surface is perfectly suitable for preparing sensitive food, fruit or desserts. The powerful heating elements are electronically controlled and accurate in temperature, the LED-displays ensure the best overview. With the very scratch-resistant QuanTanium® coating not only grilling is fun but also the cleaning afterwards. The advantages of the chic stainless steel casing are the simple maintenance and the durability. The detachable splash guard/wind shield as well as the practical cleaning scraper, make this extraordinary appliance perfect.

Great rankings achieved in German consumer tests:
