

BAKING OVEN WITH GRILL

Maxi oven for high demands

ROMMELSBACHER

Fancy colour & design, easy to handle and equipped with state-of-the-art technology – this mini oven is an attractive all-rounder! The XXL oven chamber accommodates baking tins up to 36 cm Ø and roasting tins even up to 40 cm can be used. The interior illumination and the large inspection window allow for watching your food during cooking. Different heating modes (with or without circulating air) and a grill mode offer the perfect setting for every dish. The appliance is operated via a 90-minute timer with acoustic signal whose continuous setting allows for individual usage. The temperature is infinitely variable up to 250 °C. Overheating protection and pilot lamp provide for safety in use and the oven chamber's CLEANemail coating for easy cleaning. This appliance is perfect for all those who want "a little more"!
