

BAKING OVEN & ROTISSERIE GRILL

XXL oven chamber

with circulating air and
motor-driven rotisserie spit

ROMMELSBACHER

This baking oven & rotisserie grill is ideal for every household and a perfect addition for every kitchen. The versatile oven convinces by its extra large XXL oven chamber; two crispy chickens or spit roast can be grilled at the same time. Upper and lower heat are separately controllable, perfect for roast and casserole. And the different circulating air functions ensure even baking results of cakes and pizza. A separate defrost function completes the versatility of this baking oven & rotisserie grill. The short heating-up time of the stainless steel heating elements and the double-glazed oven door with door gasket ensure good energy efficiency. A 120-minute timer with continuous setting and signal tone, the infinitely variable temperature regulation from 80 to 230 °C as well as the practical interior illumination of the oven chamber guarantee convenient ease of use. Thanks to the non-stick coating and the removable crumb tray, this attractive appliance is very easy to clean.

7 heating modes

Rotisserie spit

stainless steel casing

Technical data:

- type: BG 1805/E
- 230 V ~ 1800 W • stainless steel
- 42-litre oven volume for baking tins up to 31.5 cm Ø
- stainless steel heating elements, short heating-up time
- temperature is infinitely variable from 80 °C to 230 °C
