

DEHYDRATOR

ROMMELSBACHER

Ideas from granny's days boom!

With this dehydrator you can easily conserve fruits, vegetables, mushrooms or herbs in an optimal way. The heater fan provides for permanent active hot air circulation and the constant temperature for even results. Thus, taste, nutritive values and minerals are preserved – totally without chemical additives and sugar.

Healthy eaters and allergic persons can make dried ingredients for cereals, soups and sauces on their own. Persons with a sweet tooth make healthy snacks – perfect for nibbling on the way. The 3 power levels and the timer with automatic switch-off ensure perfect ease of use. The superior plastic casing convinces through easy cleaning and makes the practical appliance perfect.

And the special plus factor: Also suitable for producing trendy natural decoration materials, e. g. your individual Christmas decoration.
