

PARTY GRILL SET

funTasia

ROMMELSBACHER

The Rommelsbacher funTasia Grill – an entirely new dimension of grilling pleasure. Enjoy the quick and wholesome preparation of Tepan-Yaki-style dishes with an especially elegant and versatile appliance. The Party Grill Set convinces by its outstanding design, hexagonal shape and superior workmanship. The grill plate is non-stick coated and, as a result, ideal for the fat-free or low-fat cuisine. The integrated lift-up foot allows for a slightly inclined position, turning the funTasia into a 'low-fat grill' – simply perfect for the wholesome cuisine. The grill plate is removable and allows for quick and easy cleaning. The temperature is infinitely variable from 1-12 and, at the same time, the appliance is protected against overheating. The total power of 2200 W provides the optimum basis for attaining the best cooking results. The appliance features an attractive, silver-grey casing and comes delivered with the popular steamer cup and a practical synthetic scraper included.
