

MINI KITCHENER

Kitchen Master

Compact & versatile

The 'mini kitchen' for singles, students, in offices or holiday cottages. Cooking, frying, baking, grilling and keeping-warm in a small device! While preparing the side dishes on the cooking plates, the roast can broil. Upper and lower heat can also be selected separately, the grill function can be set in addition. The interior illumination puts the delicacy in perspective. The infinitely variable temperature regulation makes the operation very convenient and the cleaning is very easy thanks to the oven chamber's CleanEmail. The appealing design completes the fun of cooking, also in the tiniest kitchen.
