

TABLE BLENDER

Stainless steel

For power drinks & delicious smoothies
also on the go

ROMMELSBACHER

This elegant table blender prepares for you cocktails, delicious and healthy smoothies made of fresh fruit, foamy milk shakes, puréed soups and sauces in a convenient and quick way. The superior glass jug has a capacity of 1.2 litre. The provided TO GO blender jug is well suited to prepare healthy smoothies and power drinks for your sports and leisure activities and for school. And what's especially handy – Thanks to the lid, you can seal the small blender jug and take it with you as a bottle. 350 Watt power, 2 speed settings and the 4-winged serrated blade made of stainless steel ensure best blending and pureeing results. And in the twinkling of an eye you have crushed ice for your cocktails. Should you need maximum power for short time you can use the handy pulse setting. The blender is equipped with easy-to-operate buttons and an integrated safety system against unintended use, thus making handling convenient, easy and safe. Your table blender can be dismantled completely which makes cleaning especially easy. This is the perfect aid in modern kitchens!
