

MULTI CHOPPER

with 4-winged special blade

Strong in performance – perfect in results

The superior Multi Choppers from ROMMELSBACHER make kitchen work real fun. Chopping, cutting, blending – with a slight pressure on the button the appliance processes onions, herbs, vegetables, fruits, nuts, meat & more. Prepare rich raw vegetable salads, creamy spreads, fanciful dips and pesto in next to no time. Also spice blends, herb mixtures and spicy salt can be made easily. The 4-winged blade, made of stainless steel, is working very efficiently and convinces with perfect results. The clear glass container is utmost robust, food-neutral, hygienic and very easy to clean. A powerful but quiet and low-vibration motor masters all tasks to full satisfaction and the internal safety system protects against unintended activation. All detachable parts can be put into the dishwasher to ensure easy cleaning. This practical and reliable Multi Chopper is available in two sizes, so that every household will be able to find the best suitable model.
