

SINGLE COOKING PLATE

High-quality product 'Made in Germany'

ROMMELSBACHER

Perfect as additional appliance in the kitchen, ideal for the office or the holiday flat, for cellars or arbour. This single cooking plate is characterised by a very nice design, functionality and high ease of use. With a diameter of 180 mm, this long-lasting genuine cast iron heating plate is perfectly suitable for large pots and pans of all kinds and ensures an optimal heat distribution; due to the automatic cooking system, the plates heats each level with full power. The casing has a superior fire-enamelling and remains, thus, durably white, also after longer usage. This cooking plate is the right choice for price-conscious and nevertheless discriminating customers.
