

DOUBLE COOKING PLATE *with cover*

High-quality product 'Made in Germany'

ROMMELSBACHER

Perfect as additional appliance in the kitchen, ideal for the office or the holiday flat, for cellars or arbours. This double cooking plate is characterised by a very nice design, functionality and high ease of use. The long-lasting genuine cast-iron heating plates are suitable for all kinds of cooking vessels and ensure an optimal heat distribution. Due to the automatic cooking system, the plates heat each level with full power. The shapely casing has a superior fire-enamelling and remains, thus, durably white, also after longer usage. This double cooking plate additionally has a practical cover which can be closed if the appliance is not in use. Thus, the heating plates are protected and it looks tidy.
