

# WARMING TRAY

*Gastro*

*Professional Stainless Steel Warming Tray  
in the XXL size*

**ROMMELSBACHER**

Here it is – the perfect solution for elaborate buffet arrangements, a cosy brunch or a wonderful banquet. A Warming Tray of noble design, with practical and shapely stainless steel handles and a surface dimensioned 60 x 40 cm, providing ample space for accommodating 1/1 standard size food containers and their subdivisions. The heating system comes incorporated in the high-quality thermally hardened float glass and is very efficient as a result. The temperature is infinitely variable; the ON/OFF switch is equipped with an integrated pilot lamp, located on the side of the appliance to make sure even several appliances can be lined up side by side in tandem position. Ideal for various applications!
